OFFICE OF THE ADMINISTRATOR

February 20, 1953

Honorable Allen Dulles  
Administrator  
Central Intelligence Agency  
Washington 25, D. C.

Dear Mr. Dulles:

Enclosed is a copy of the Second Annual Report of the Federal Civil Defense Administration which has just been submitted to the President and the Congress.

The progress achieved during our second year of operation has been due to a great extent to the cooperation and assistance we have received from the many Departments and Agencies of the Federal Government. We greatly appreciate this assistance and look forward to a continuation of the relationship in the further development of the civil defense program.

I hope you will find the report of interest.

Sincerely,
